GENERAL INFORMATION

- Each person over the age of 12 must have an infield admission ticket.
- Staging on Speedway property in advance is not available.
- All entry times are subject to change.
- Infield admissions purchased at the tunnels is cash only and are valid for infield access only; not valid to grandstands.
- Site sizes are approximate in size and may vary.
- Only self-contained specialty vehicles will be allowed to access Infield Camping areas (only exception: Orange car/truck camping). Self-contained is defined as having on board potable water storage, a cooking stove, a water or chemical toilet, permanently installed holding tanks with a 3-day capacity for gray or black water.
- See pet policy on reverse side
- Stakes are not allowed on asphalt surfaces.
- Generators are permitted; however for the safety of our guests we recommend turning off generators in the evening and direct exhaust away from enclosed areas to prevent harm to you or your neighbors.
- Proper ventilation is required in specialty vehicles, campers and tents. Use caution when using generators, gas lights, stoves and heaters.
- All vehicles (and items) must fit within the reserved site and not impose upon neighboring site or fire lanes.
- Vehicles/items brought into the infield may be subject to inspection.
- Sleeping tents are not permitted in the reserved camping areas. Screen or picnic tents are allowed.
- Potable water is provided throughout the infield at the restrooms for the exclusive purpose of filling your specialty vehicle water supply.
- “Quiet Time” in the infield and all camping areas will be observed each day from midnight to 6:00 am. For night racing events, “Quiet Time” will commence two hours after the checkered flag.
- Dumping of waste or waste water on the ground will result in immediate ejection from the Lot, and offenders are subject to arrest.
- DIS reserves the right to refuse admission or eject any person whose conduct is deemed disorderly or fails to comply with the terms and conditions herein. Any such refusal or ejection may be without the refund of any portion of ticket purchase price. DIS reserves the right to add or change rules without notice.
- The use of the assigned camping space shall be for the enjoyment of the racing experience only. The use of the space for any promotion, advertisement or commercial exploitation, as determined by DIS in its sole discretion, shall be prohibited. Guests may be asked to remove any signage (including without limitation signage that is political, controversial or offensive in nature or that is for commercial exploitation); cease and desist any activity; have signs and/or promotional materials confiscated; and/or have the guest's space parking privileges revoked at DIS' sole discretion.

PROHIBITED ITEMS

- Platforms, scaffolding, fireworks, firearms, bicycles, motorcycles, skateboards, cruising or excessive and unnecessary driving is not permitted in the Infield
- Powered carts, ATVs, three-wheeled vehicles, scooters, lift trucks, tractor trailers, unpermitted golf carts, box trucks will not be permitted on the premises
- See flag pole policy on reverse side.

EXITING INFIELD (Pass-outs)

- Pass-outs are printed passes which allow guests (an individual; not vehicles) to exit the infield by walk out only. Pass-outs are available at the tunnel exits only. Turn 1 Tunnel will be open 24 hours while Turn 4 Tunnel will have restricted overnight hours.
- To exit, show your ticket stub to the gate attendant and receive a Pass-out to re-enter.
- To re-enter, show your ticket stub to the gate attendant and surrender the Pass-out return check.
- Vehicles may not exit the infield once entered (except Rolex weekend).
- Once vehicles enter the infield they must remain parked. Only Premium Lake Lloyd, Premium Yellow and Premium Red guests have drive in/out access through Turn 1 Tunnel.

CARBON MONOXIDE ALERT

- Do not use portable heaters or lanterns while sleeping in enclosed areas such as tents, campers, and other vehicles. This is especially important at high altitudes, where the risk of carbon monoxide poisoning is increased.
- Vent RV generators and heater system exhaust away from or above your unit and your neighbors' sites.

WEST LOT CAMPING

Located outside Turns 1 and 2.

Opening/Closing Dates & Times

Rolex 24 At Daytona

Opens: Wednesday, January 21, 2009 at 6 a.m.

Closes: Sunday, January 25, 2009 following the conclusion of the race

DIRECTV Speedweeks

Opens: Tuesday, January 27, 2009 at 6 a.m.

Closes: Monday, February 16, 2009 at noon

GENERAL INFORMATION

- Sites are approximately 20' x 40'.
- Tents and pop-up campers that are not self-contained are NOT permitted in the West Lot camping area.
- With the exception of Daytona Club areas, sites do not offer electrical or water hookups.
- Only self-contained Specialty Vehicles will be allowed access to the West Lot. Self-contained is defined as having on board potable water storage, a cooking stove, a water or chemical toilet, permanently installed holding tanks with a 3-day capacity for gray or black water.
- Each reserved site is allowed one additional vehicle that must fit on their reserved site.
- All vehicles (and items) must fit within the reserved site and not impose upon neighboring site or fire lanes.
- Potable water is provided at the North end of the West Lot for the exclusive purpose of filling your Specialty Vehicles water supply or your portable containers.
- All pertinent rules of the State and County Health Departments must be obeyed. In keeping with these rules, we have placed portable toilets and trash containers throughout the lot. You will find clearly marked containers for your waste at designated locations.
- Contained fires are allowed (small properly contained cooking fires only).
- Parking on any of the primary or paved roads is prohibited. These roads must be kept open for emergency use and to allow Specialty Vehicles to enter or leave at will.
- Visitor parking is not available.
- Parking areas must be kept clean and picked up.
- "Quiet Time" in the infield and all camping areas will be observed each day from midnight to 6:00 a.m. For night racing events, "Quiet Time" will commence two hours after the checkered flag.
- Roping or blocking off space for any reason is prohibited.
- Dumping of waste or waste water on the ground will result in immediate ejection from the lot, and offenders are subject to arrest.
- Proper ventilation is required in and around specialty vehicles and campers. Use caution when using generators, gas lights, stoves and heaters.
- Generators are permitted; however for the safety of our guests we recommend turning off generators in the evening and direct exhaust away from enclosed areas to prevent harm to you or your neighbors.
- DIS reserves the right to refuse admission or eject any person whose conduct is deemed disorderly or fails to comply with the terms and conditions herein. Any such refusal or

ejection may be without the refund of any portion of ticket purchase price. DIS reserves the right to add or change rules without notice.

- The use of the assigned camping space shall be for the enjoyment of the racing experience only. The use of the space for any promotion, advertisement or commercial exploitation, as determined by DIS in its sole discretion, shall be prohibited. Guests may be asked to remove any signage (including without limitation signage that is political, controversial or offensive in nature or that is for commercial exploitation); cease and desist any activity; have signs and/or promotional materials confiscated; and/or have the guest's space parking privileges revoked at DIS' sole discretion.
- See carbon monoxide alert on reverse side.

PROHIBITED ITEMS

- Fireworks, firearms, bicycles, sleeping tents, cruising or excessive and unnecessary driving is not permitted in the West Lot.
- Powered carts, ATVs, scooters, unpermitted golf carts will not be permitted on the premises.

FLAG POLE POLICY

- For your own safety and that of other fans around you, metal flagpoles are not permitted to be erected on Speedway property. Please note the following track rules are as follows:
- Only non-metallic flagpoles are permitted: fiberglass, PVC, vinyl.
- Not Permitted: Steel, aluminum, other metal.
- The top of a flagpole may not exceed maximum height of 15 ft. from ground surface.
- Flagpoles or other similar objects are NOT permitted within 20ft of an overhead electrical line.
- Flags in the infield must be lowered during on-track activities.

PET POLICY

- Our fans have spoken! We recognize pets are like family and want to make your visit to our Speedway the best ever. Since we do have many responsible fans and pet owners, we are excited to allow pets in our West Lot and Infield areas. To make sure we are offering all of our guests the best experience possible we ask pet owners to follow these policies. If at any time these policies are not adhered to, we will request your pet to be boarded immediately.
- All pets must stay within your assigned camping spot; do not walk pets along roadways
- Owners are responsible for cleaning up after pets and must dispose of the waste properly
- Pets must be kept on a leash at all times
- Please respect your neighbors. Excessive barking or aggressiveness is not permitted
