

## SAFETY MESSAGE

Daytona International Speedway, NASCAR and The National Carbon Monoxide Awareness Association want to remind you to set up your campsite with safety in mind. Keep all carbon monoxide sources at least 6 feet from any sleeping or sitting areas.

For more information on CO safety and the mission of the NCOAA scan the QR Code Below:

## TYPICAL RACETRACK CAMP SITE

MAINTAIN A MINIMUM DISTANCE OF 6' (FEET) FROM ALL CARBON MONOXIDE SOURCES

CO detectors are available for purchase at most local home improvement stores
