

PROHIBITED TENT CAMPGROUND ITEMS

ANY CAMPING UNIT THAT EXCEEDS 8FT IN HEIGHT OR 20FT IN LENGTH IS NOT PERMITTED.

Scaffolding structures or platforms that are permanently attached, welded or bolted flush to the surface of your vehicle will be allowed at the discretion of track management. For your safety and those around you, free-standing scaffolding or temporary platforms are prohibited.

NO IN-GROUND FIRE PITS ON DAYTONA PROPERTY. Campers are welcome to bring free-standing above-ground fire pits, but are prohibited from building fire pits underground.

PERMITTED TENT CAMPGROUND ITEMS

Cars, trucks, sleeping and canopy tents, pop-up campers, trailers and pull behind units are permitted.

THESE ITEMS CANNOT EXCEED 8FT IN HEIGHT OR 20FT IN LENGTH.
